The Great European Cough Remedy.

Universal Cough Mixture

Sole Proprietor, Chas. W. H. Mailing.
Within the last few years, the business of
the country has been greatly increased, and
the standard of living has been raised.
The people are more educated and more
enterprising. They are more interested in
the progress of the country, and more
concerned in the welfare of the people.
The people are more interested in the
progress of the country, and more
concerned in the welfare of the people.
The people are more interested in the

men, makes an elegant preparation, composed of much of the cream of tartre and small of the sulphur, and supplying a most charming combustible for the lungs, much like that elaborated by a healthy system.

In conducting a large optical practice in France and Europe, Dr. Nysten resorts directly to the

ne medicines for pure Chl. The excellence of the
combination will be at once appreciated by the
medical profession, and a trial of it will com-
mend it to the people generally.
